

PUBLIC HEARING FORM FOR HISTORIC DISTRICTS (2023)

A historic district is comprised of two or more tax parcels and two or more unmarried or unrelated owners. A public hearing is required to take place as part of the nomination process for any historic district.

Please coordinate with DHR Regional staff and the locality where the district is located to prepare and submit this form. DHR staff will host the public hearing.

Consultants should be prepared to make a brief presentation at the hearing that describes the historic district’s historical and/or architectural significance, and the methods by which the survey and nomination processes were completed.
